#### ROORKEE CANTONMENT—BY-LAWS—WATER SUPPLY.

**S.R.O. 25, dated 19th Jan. 1961.**—The following bye-laws for regulating the construction and maintenance of domestic water connections in R.A. Bazar, Roorkee Cantonment, framed by the Cantonment Board, Roorkee, in exercise of the powers conferred by clauses (33) and (34) of section 282 and section 283 of the Cantonments Act, 1924 (2 of 1924), are published for general information, the same having been previously published, approved and confirmed by the Central Government, as required by sub-section (1) of section 284 of the said Act.

Bye-laws for regulating the construction and maintenance of domestic water connections in R.A. Bazar, Roorkee Cantonment.

1. An application for a house connection shall be made in the form appended to these bye-laws and shall be accompanied by duplicate copies of a plan of the building to be connected drawn to scale of not less than 8 feet to one inch, showing clearly in red the lines of all pipes and the position of all fittings proposed to be laid and fixed.

2. No work in respect of house connection shall be begun until the application has been sanctioned and the person applying for the same has paid to the Cantonment Board a connection fee at the rate of Rs. 5-00 per tap subject to a minimum fee of Rs. 10-00 and a maximum of Rs. 25-00 and such amount as may be fixed by the Cantonment Board from time to time as the cost of a meter under section 232 of the Cantonments Act, 1924.

3. Not more than one connection for the supply of water for domestic purpose shall be permitted to any one holding.

4. (1) Connections with the Distribution Pipes of the Cantonment Board may be constructed:—

(a) by the Cantonment Board, or

(b) by a plumber approved by the Cantonment Board.

(2) The Cantonment Board shall not construct any connection with a Distribution Pipe on behalf of any person unless such person

(a) specifically requests the Cantonment Board to make such connection in the application submitted under bye-law 1, and

(b) deposits with the Cantonment Board such sum as the Cantonment Board estimates to be the cost of making proposed connection.

5. All pipes shall be of galvanised iron and of a make approved by the Executive Officer and capable of withstanding the pressure due to a column of water 200 feet high.

6. All fittings, *e.g.*, taps ferrules, stop-cocks and any other fittings shall be of a make approved by the Executive Officer of similar quality to a standard sample kept in the office of the Cantonment Board and must be stamped by an authorised officer of the Cantonment Board before being used. The meter shall in all cases be supplied by the Cantonment Board on payment of the cost thereof as required by bye-law 2.

7. The service pipes shall comprise the following:—

- (a) a brass or gunmetal ferrule inserted in the Distribution Pipe,
- (b) a galvanised iron communication pipe,
- (c) a stop cock and surface box,
- (d) pipes from the stop cock to the tap,
- (e) Taps and other fittings supplied by the Cantonment Board,
- (f) a meter, meter chamber and surface box.

8. The work whether done by the Cantonment Board or by a plumber approved by the Cantonment Board, must be done under the supervision of an officer appointed by the Cantonment Board, and no connection to the Distribution Pipe shall be made until the work has been examined and approved by that officer. The connection to the Distribution Pipe shall be made at the place and time selected under the orders of the officer.

9. The owner or occupier of any holding in respect of which a connection has been made under these bye-laws shall be liable in addition to the water tax assessed on the holding to pay a charge for the water consumed in excess of the quantity of free allowance at the rate which may be fixed from time to time by the Cantonment Board under sub-section (3) of section 220 of the Cantonments Act, 1924.

10. The size of the ferrule and the number of taps in any holding shall not exceed the following:—

| Annual Valuation of holding | Diameter of ferrule | Number of $\frac{1}{4}$ " taps not more than |
|-----------------------------|---------------------|--|
| Below Rs. 150.00            | 1/8 in.             | 1  |
| From Rs. 150 to 299         | 3/16 in.            | 2  |
| From Rs. 300 to 499         | 1/4 in.             | 3  |
| Above                       | 5/16 in.            | 4  |

Provided that

- (1) additional taps may be allowed and the size of ferrule increased in special cases with the previous approval of the Executive Officer, and
- (2) two  $\frac{1}{4}$ " taps may be replaced by one  $\frac{3}{4}$ " tap.

11. The cost of the connection mentioned in bye-law 4(2)(b) shall include the cost of supplying and fixing the fittings and parts described in bye-law 7 and also the cost of such alteration in or repairs to, roads, drains, water mains or pipe and the cost of such other works as may be necessitated by or result from the making of such connection but shall not include the supplying and fixing of a meter for which payment shall have to be made under bye-law 2.

12. (1) When the connection has been made and completed otherwise than by the Cantonment Board under bye-law 4(1)(a) the applicant shall give notice in writing to the Cantonment Board in Form II appended to these bye-laws and shall at the same time deposit with the Cantonment Board a fee to be fixed by the Executive Officer for the inspection of the connection.

(2) An Officer appointed by the Cantonment Board in that behalf shall then inspect the work and shall either certify to the Executive Officer in Form III appended to these bye-laws that the work has been satisfactorily executed, or shall record in writing his reasons for refusing to do so, and shall supply a copy of his reasons to the applicant to enable him to remove the objections.

(3) The applicant shall, after removing the objections apply for a fresh inspection in the same manner, but shall not be liable for any additional inspection fee.

13. If the connection, to the construction of which by an approved plumber sanction has been given under the provisions of bye-law 4(1)(b) has not been made within six months of the date of sanction, the connection shall not be constructed until a fresh application is made in Form I and such application has been sanctioned.

14. All taps shall not be less than 3 feet above ground level.

15. A stop cock shall be capable of adjustment and shall have the same water way as the communication pipe and shall be placed as near as practicable to the point where that pipe enters the premises to be supplied. It shall be built into a brick chamber provided with a cast iron cover of approved make.

16. The key of the surface box shall remain under the control of the Cantonment Board.

17. Every meter shall be read monthly by an officer authorised by the Cantonment Board in that behalf who shall give to the occupier at least 48 hours' notice of his first visit. Such notice shall state a period of three hours within which the visit will be made. Further visits may be made on the same day and within the same hours without any fresh notice.

18. Storage tanks of not more than 150 gallons capacity may be allowed by the Cantonment Board on payment of a fee of Rs. 50.00. The size of the tank may be increased only in special cases at the discretion of the Cantonment Board on payment of an additional fee at the aforesaid rate of Rs. 50.00 for each additional 150 gallons or part thereof. Such fees shall be in addition to any fees payable under bye-law 2.

19. In these bye-laws:—

- (a) "holding" means land held under one title or agreement and surrounded by one set of boundaries. Provided that two or more adjoining holdings forming part and parcel of the site or premises of a dwelling house or place of trade or business shall be deemed to be one "holding".
- (b) the expression "Cantonment Board" means the Cantonment Board, Roorkee.
- (c) the expression "Service Pipe" means the connection which is with the distribution pipes under the control of the Cantonment Board for the purpose of leading water to be premises for domestic purposes.
